I loved our visits with Aunt Dot both in Maine and in Connecticut. I used to love helping get the beans fresh, from the garden, ready for dinner. She was kind and so generous with her time with mom, her sister Aline. Sending love and condolences to our family in CT. Doreen & John.

Our wonderful Aunt Dot would always offer us something to drink upon arrival, from water to juice to soda to whatever she might have on hand. My wife and I will always cherish our trip to Prince Edward Island with she and our Mom, Aline, several years ago. Sincere condolences to her beautiful family.

My deepest sympathy to all my Connecticut cousins...the world lost a wonderful person. Aunt Dot shared so many wonderful memories with Donna and I and taught us so much about our Leger side of the family. I will miss the exchange of letters and cards, but knowing that Aunt Dot is reunited with Uncle Co, Norman, Jackie and Memere and Pepere (along with many other loved ones) takes the sting out of her passing. I hope my cousins' memories give them comfort over time.Denise Marie
