Lin, First of all my love and deepest sympathy to you and the entire Marino family. Mike and I were best of friends. He came to visit me twice in Texas and we rode our Harley's to the Lone Star Rally in Galveston and had some great times. When I would come to Connecticut to visit of course I stayed at your house and I can't think of any place I felt more welcomed. I loved Mike like a brother and will miss him dearly but have many great memories to cherish. RIP MY BROTHER

My sympathies to the entire Marino family....Mike and I were great friends for many years growing up on Cipolla drive. There are way too many great memories to write about, especially living on Cipolla Drive. As we grew older, we didn't see as much of each other but when we did, it was like picking up our childhood all over again.You were always a great friend. You will be missed by everyone who knew you.You're in a better place...No more sorrow, no more pain...Your friend, F.M. as you called me when we saw each other....Frank Macchi

Mike was the kind of neighbor who always brought a smile to your face. I would see Mike and Lin enjoying the sunset over lake Winnisquam, or taking his family fishing, or lending a hand to any one of the many tinkers who vacation with us in New Hampshire. Mike was a loving dad and grandfather. His presence and kind smile will be missed by all.
