Julia was such a lovely lady, she and Elmo were always available to help or advise and when our family was baptised into the Catholic Church, many years ago he served as Godfather with Julie's assistance. We often would see her in church always offering a smile and hug. She had a good life, I believe, and will be missed by many..... Love, Gordon and Barb Fraz

So many wonderful memories of Auntie Julie and Uncle Elmo- from your home in Stafford where I discovered a life-long love of polenta, to learning to ski in NH. Your home was my second home. I will never forget the trip to Times Square- my first overnight in NY was with your family. So many wonderful childhood memories. I love you all. I'm sorry for the passing of such a special 'second mom' and grateful for her having been such an important and loving part of my life.
