Auntie Janice (although I was a few months older than she). We had alot of fun growing up together, spending summers with her and my grandmother cooking for days to head to Auntie Katherine's, going fishing with Janice and grandpy as I called him. We went to school together and hung out with the same crowd. Justin, Courtney and Joshua, I am so sorry for your loss, your are in my prayers 🙏. If you need anything please feel free to reach out to me
