## **Edwina Jill Mordasky**

OCT 20, 2022

**E**dwina “Winna” Jill Mordasky, 87, of Stafford, CT, passed away on Thursday, October 20, 2022. She was born Edwina Jill Fowler in Lewiston, ME, June 10, 1935, to Edwin and Mary (Field) Fowler. She grew up in Auburn, ME, attending Lake Street Webster Jr. and Edward Little High Schools. She also lived in Ludlow, VT attending Black River High, and Manchester, CT. She was always the struggling class artist and loved playing baritone horn, hoping someday to become independently wealthy in one of these endeavors. At an early age she took the “draw me” art test, and studied correspondently with Art Instructions, Inc. which lead to nowhere but all this time, “stuff” was being stored for later use. She married Francis P. Mordasky in 1954 and was happy to raise their five children on a dairy farm in Stafford CT, rather than in an igloo in Antarctica. She learned to play folk guitar fairly well and loved the blues. She continued in her art work and won several prizes for her paintings, which again lead to nowhere fast. One of her ornaments hangs in the Smithsonian----sort of a feather in the cap. Later in life she took art classes at Asnuntuck Community College, Northlight Art School with Foster Caddell, Scottsdale Art School with James Christensen and Paier School of Art. She taught private students and workshops for over 30 years in painting techniques and designed pattern packets. She was published in many magazines with either painting or creative stamping project articles, she also designed Stafford’s 250th anniversary seal as well as the current town logo (well house) and again.....fame was eluded. She always loved photography, dancing, books, creative stamping, to eat out, antiques, tag sales and playing cards, especially to win at poker. She was blessed with her children, Kevin, Kent, Kurt, Kimberly and Keith living nearby and helping her throughout the years. For many years her husband Francis was ill with M.S. and she never stopped caring for him. She enjoyed nature immensely and her beloved coast of Maine. She was an avid UConn Women’s basketball fan and also Boston Red Sox. Realizing her obituary

To the Mordasky family, I'm so very sorry for your loss. My Mom, Florence Polens died this Tuesday, just 5 days after your Mom. For many years, two of Jill's wonderful paintings hung on the walls in my parents' house, and since my Mom moved from Stafford, they've been on the walls in her apartment. Just yesterday my sisters and I were talking about how much we've always loved the paintings, and we were arguing (in a friendly way!) about who's going to get them now. Sending heartfelt condolences from our family to yours.

Jill and I were 10 years apart. She was the grown up sophisticated person who engaged me and ignored me in equal measure. As a boy every summer Mom and Dad would rent rooms at Old Orchard Beach in Maine where Jill would bury me in the sand, chase me through the waves and take me to play ring toss. I also remember our evening efforts to harmonize songs like "Show Me the Way to Go Home". I got back at her teasing me as a boy by filling her Stafford Springs grocery cart with ½ gallons of gin. She would laugh until she had to rush to the bathroom. In more recent years we shared our art and mutually encouraged our efforts. Jill was a wife, a mother and a grandmother but, for me, she will always be my big sister.

My Aunt Jill was such a huge influence in my life, especially with regard to folk/acoustic music. She certainly made me curious about said genre back when I was in my early teens and, taking kindly to my curiosity, opened a door that I went through and never looked back. It was an honor and a pleasure in more recent times, when I'd visit and we'd still run through "San Francisco Bay Blues", "Bobby McGee" or some other gem from "those" days. And her art? Well, what can be said that hasn't been said so far. The world has lost a truly amazing artist. Thanks for the memories, "open-G tuning, and opening those doors, Aunt Jill! I'm gonna miss ya. Love, Glenn

To Kim and family, I am so sorry to hear of your Mom's passing. Your Mom has been an icon in many of our lives because of the relationship she had with you, Kim. I remember both your parents especially at softball games cheering us all on! Your Mom was so talented in so many ways and I was blessed to have known her. Losing a parent is a very difficult part of life, and you were so blessed to have had your Mother for so long. You are all in my thoughts and prayers. Love, Karen (Foucher) Palmerino

Kevin, Kurt, Kim and family, I am so deeply sorry to hear about your Mothers passing. I have so many memories during our High School years hanging out at your parents house. There would always be a gang of us there. We all had a fun time. My favorite memory was when your Mom would sing. Especially Me and Bobby McGee. That song even 45 years later brings me back to your parents house and your Mom singing in the Living room. It always brings a smile to my face. I hope and pray that your memories will bring you comfort during this difficult time. She will be missed and every time I hear that song I will think of her. May she rest in peace. God Bless.
