To the family, and all whose lives Donald F Sanger touched, In late 2014, I prepared to end one long chapter and begin another. For 30 years, I attended Second Congregational Church of West Stafford. When at age 55, I decided to move to Windham County Vermont, (Wilmington at first) I recall Don wishing me well, like it was yesterday. I will always remember that, and for his dedication to church and family. If memory serves, Don's dad and my mother-in-law were in the same graduating class, Stafford High School. I came across the senior photos, of nearly everyone in their class of 1928. When I presented Don with a 5x7 photo of his dad one Sunday at church, he was so pleased. My thoughts are with you all during this difficult time. Sincerely, DeDe Greaves Guilford Vermont
