My condolences to Mrs. Sears' family. She lived a very long time and was fortunate to be cared for directly by her family right along. My mother passed away at 96, and like Mrs. Sears, was more soft-spoken and had a gentle spirit. Whenever I ran into Mrs. Sears, she said something kind, and I believe her daughters are that way, too. For years I was on the same school bus with at least two of the Sears children at a time. Our generation was very fortunate to have members of "the greatest generation" as our parents. Although unable to attend services due to work and family commitments, I am happy to be able to write this tribute. My prayers for all of you will continue.Sincerely,Barbara (Halchek) Dion

To the entire Sears Family, So sorry to learn Christine has passed away. She always was such a sweet lady. I know all of you will miss her so very much. She is now with her husband & family already in Heaven. Win was in our wedding in 1971 & a good friend to my husband, Michael. Both of them have been gone a long time (21 years next month for Michael). May happy memories of your Mom, Grandma, Great Grandma, Christine, give all of you some level of comfort & peace!♥

So very sorry I will be unable to attend Christine's calling hours or services. I am up in the Boston area staying at my daughter, Tanya's place for a couple weeks. I do not have my car here to attend. Our Mom passed away 2 years ago at the age of almost 96. I will keep your family in my thoughts & prayers!♥😔
