Find me a cloud to sometimes hide behind.

Find me a raindrop to fall with to the ground.

Find me all the things I never knew until they are finally found.

Find me in a river flowing down its path

Find me all the rapids and let me meet their wrath.

Look at me when I am Drowning and do not let a hand.

It is my choice to sink or swim upon the things I do or don't understand.

Look at me in a wave as I try to swim to the shores.

Obituary

Bryan Gerald Charles Addicott Jr.

See me as I go out to sea with no thoughts forevermore.

Catch me in a thunderstorm as I stand within both the lighting and rain.

Know me as a person as I have long forgotten any kind of pain!
