Condolences to Celeste and Alan. What I remember most about your mother (my aunt) is her artistry with pairs of knitting and crochet needles. Aunt Lydia made a beautiful blanket for me, and it wasn't even my birthday! I am happy that Aunt Lydia and her sister Louise (my mother) were able to live in the same retirement community for many years before time whisked them away. Celeste and Alan, you should know that your cousin (my sister) Judith Powell died in the early morning hours of April 17, 2023. Wishing you the love you need to get through your grief. Oh so many years ago but sure she stayed as nice as she was when I knew her. Condolences to Alan and family.

Many fond memories of Lydia and family. Teaching Sunday school with her was a big start to my teaching career. Sweet lady who was missed dearly over the years when she moved from stafford. Love and prayers to you celest and Alan. Kathy gregory aborn
