Doreen was a given person. She has been a part of my family for over 30 yrs. We meet thru our children. She was also my neighbor. We surprised her with a puppy she fell on love. We hoped that it would help her with not being so lonely. Her name is Dazi....we had many laughs over the years. We dealt with a tragedy together with the loss of her son. We tried our best to look after her. Now she can rest pain-free with her Son and family. With a very heavy heart we say goodbye to another young soul. I loved her and Ricky so much, just another peice of my heart that is in heaven way too soon. She may be gone but will never be forgotten.
