Gram, Among the many things you were, are, externally will be, you taught me what is bought takes no thought. To give up a your burial plot for your grandson Michael says more than alot. Stafford Conservatories. Charlie and Yourself running me in the coolers as you both skillfully created so many arrangements while all of us laughing as you two teasing each other. Harkness park picnic baskets with mom. Gates have been held open far to long for a woman who is only you. Love you Gram See you when I get there M R F
