I have known Larry for over 40 years, as others have said, he was a honest and hard working man. My family only went to Maple Tire for tires, because of Larry and John. Larry and the late, Brian French (Moose) fished many tournaments with myself and my wife, and some of the greatest memories were, when we were fishing at Lake Champlain, we never laughed so much. He always had a smile on his face. He and I would always bust each others ass, because of the mutual respect we had for each other. Larry and Moose can get together now, and go fishing. Rest in Peace my friend, it was a honor to know you ... Earl and Debbie Leighton

My wife & I are saddened with the loss of Larry. We have been his customers at Maple Tire for many years and always appreciated his kind and thoughtful ways of taking care of our needs. He was trusted. There was no need to hunt around for tire sales, for Larry would always suggest and install the right ones for our vehicles. Our kids got to know him & John and the legacy continues. He cared for multiple cats over the years which was a good indication of the type of person he was. He made sure they were fed and housed. It was always a pleasure stopping in at Maple Tire to have our tires replaced or fixed. This was all due to Larry's great personality and thoughtfulness. Our condolences to his family. Paul Gilbert

I knew Larry for 45 years as a customer at Maple Tire Center. I found out from John only a few days before his passing that Larry was ill, and was deeply saddened when he passed away. I always chatted with Larry while he and John changed the tires on my cars twice a year, and he was always in a good mood, talking about cars and his family. He will be greatly missed by the Vernon community. God bless, Larry.
