Coralie and family,I'm sorry to hear of your loss. Losing a parent is one of the most difficult parts of life. They are the strength and foundation of your family and then, they are gone leaving a void in your heart. That void will be filled with the many memories you have shared throughout your life not only with your family, but your friends as well!!! So many stories you can share is the most wonderful gift of the long life your Mom lived. My thoughts and prayers go out to all of you. Love you!!!Karen Palmerino
