I worked with my buddy Billy at NAPC/TYCO for years. He always had a smile for everyone. I remember the day he came into work and told me about the new pickup truck that Allan had bought him. He was glowing with pride and happiness. No matter where I saw Billy or he saw me we each opened our windows and shout out to each other. Buds for life ! I'll miss your smile and hope to meet up again some day. Your buddy Bob

Billy "Buck" what can you say..always happy and waving and talked to everyone..Worked with him for years at NAPC. But knew him outside of work too. He stopped outside our house when he went by to see his brother or just yelled out the window when he saw us working in the yard! That's what I miss about not living in Stafford anymore not waving to friend's or talking to them on the streets when you run into them... To all of the Bacchiochi family and extended family member's sorry for your loss.. God BlessLynnet And Scott Pierce

We called our Uncle, Woody. He was always happy to see us "kids" and made us feel special. I remember walking ion Main Street, holding his hand, and laughing. I'm sure that was over 50 years ago. Sending love and condolences to Tracy, Pete and family. He was a Stafford icon and will be missed. God speed, Wood.

Tracy..I write this to you and your family with the utmost respect and the deepest love that a person can possibly give... I cannot believe my world is no longer going to have Billy Buck in it...I've known nothing but since I was an infant..Billy, Allen and even their Dad had been a big part in my family since I can remember. My brother Jerry and Billy were the best of friends until we lost Jerry to an accident..my sisters were great friends with Allen and my Dad with Primo...and it goes on..Billy became my personal guardian on Jerrys behalf and I will never forget that..he always felt he had to protect me when in fact I think it was actually the other way around..He would've done anything for me as I would've for him. He was like the brother that I lost many years ago. There was definately a bond there between us and I will always thank him for that..just knowing how much he missed by brother meant everything to me..I will miss your smiley face for always my deepest friend of forever Billy Buck...Tracy, that man was so proud of you and just adored you and talked about you all of the time. You were definately the light of his life. R. I. P. My Dear Sweet Friend of Always and Forever William Bacchiochi and please buddy say hey to Jerry for me...Love You and I will miss youKatKat"THE MAYOR OF STAFFORD SPRINGS"
