Janet and I were best of friends in our early teens. I lost touch with her when I moved to the west coast but I called her last year and it felt like we had never been apart. The world truly did lose a loving, kind, caring, special human being. I am so sorry to learn of her passing.

I am so very sorry to hear of Janet's passing. Janet and I spent countless hours at 3M working side by side and starting at 3M at the same time. We were also hired at the same time. We had many laughs and shared many meals together. She lit up a room with her smile and was such a dedicated hard worker to 3M. She will be greatly missed by all. My sympathy and prayers goes out to all the family.. God Bless you all through this hard time 🙏❤️
