Maria Solecki

APR 6, 2024

Maria (Mis) Solecki, a resident of Union, CT, passed away peacefully on Saturday, April 6, 2024, at the age of 99. Born on December 20, 1924, in Poland, Maria immigrated to the United States with her late husband, Roman, in January 1968. Together, they built a life in Connecticut. In the mid-1970s, Maria discovered a passion for art. Initially drawn to working with clay, she later explored a variety of mediums, creating beautiful sculptures and paintings. After Roman's passing in 2017, her beloved dog, Mysia, remained a constant source of companionship until the very end. A visiting hour will be held on Wednesday, April 10, 2024 from 1:00-2:00 PM at Introvigne Funeral Home, Inc., 51 East Main St., Stafford Springs, CT. My health has prevented me from posting anything until now, but I miss Maria terribly. My family became close to her and her late husband, Roman, in 1969, when I was four years old, and we had recently arrived in the United States after leaving Poland. My entire childhood and adult life is filled with memories of her. She was much more like an aunt for me than a family friend. When my health allowed it, I was in touch with her by email shortly before she died. She was more courageous than most people could understand, so kind, and so cultured in such a down to earth and way.

Maria was a steady part of my life since childhood, and she was there for two decades of growing up and life milestones, always offering her perspective, advice, and an amazing attention and memory of detail. With her characteristic twinkle in her eye, she would dance through conversations and flow between topics from the most mundane to the most philosophical. I will miss afternoon visits with her whenever I was home, and the friend who showed me nothing but support and generosity and an indescribable unconditional love.

Maria was a remarkable woman, strong but gentle and warm, thoughtful, artistic and creative. There was an old world elegance about her. She loved nature and was always in awe of its beauty. She loved life and found pleasure in small things, while considering big thoughts and ideas. Maria was a great, loyal and supportive friend and we will miss her a lot. I am so grateful to have met Maria through Paradiso & Muska on our house calls. Who would have thought that we would become so close...like family. Larry and I enjoyed our visits with Maria and Mysia, and Maria always had a beautiful little twinkle in her eyes when she smiled. You could never leave without taking a piece of candy or a piece of blueberry pie! We truly miss you, Maria...I will always treasure the paintings you made for us. God bless you and now you and Roman are together again...

It was my pleasure to get to know Maria while translating her manuscript into English. She was always kind and understanding. We never met face to face but nevertheless got to know each other quite well. I will miss her. Theodore Zawistowski
