Dear Louise and family, We are so sorry to hear about Terry's passing. We have many fond memories of him...from growing up in the neighborhood and more recently when we moved back to the neighborhood....he was always working around the yard with a smile on his face and always willing to offer his help to anyone that needed it. We are going to miss him. Sending our love and prayers to you. May knowing he is now resting in the loving arms of our Lord bring you comfort and peace during this most difficult time. May loving memories sustain you always. Bryan & Leigh (Mandak) Maxa

Ahh so many memories of Terry and me.I met this brilliant compassionate man way back I would say 1966 when he came to work at the same place in Vernon,Ct.We became instant friends from there and to now.There wasn't a thing that Terry couldn't do and if he couldn't he would figure it out.Knowing Terry gave us the pleasure to know his great family.The loss of his son was a hard one for Terry and family,probably the worst event in his life.This was a man happiest at his work whatever the project.Well Terry ,my friend your work is done,eternal rest has come.You will be missed,dear friend.

Memories only last if you share them

Join us in honoring Terrence by contributing to a collection of shared memories.
