Lynda W. Bacon

APR 30, 2024

Lynda W. Bacon, 77, of Stafford Springs, CT passed away on Tuesday, April 30, 2024 at St. Francis Hospital. She was born in Jacksonville, NC, daughter of the late Gordan and Thelma (Justice) Walton. It is impossible to describe Lynda in a single paragraph. Growing up on a farm in coastal NC, a surfer in the 60's, she married a marine and headed up north to start her family. She proceeded to move around the country for the next decade– from Buffalo to Rochester, NY, to New Jersey, then – 2 kids in tow- cross country to Phoenix AZ, then back east to Burlington, MA, Derry NH, then finally settling in Stafford Springs, CT for the last 40 years, where she was an active member of the community. From Junior Woman's club, to bowling league, and the resident face painter for every "Summerfest" for over 20 years! (kids and adults alike, lined up to get one of her butterflies on their face!) She was everyone's "mother" when her kids were in high school – hosted all the pre-game events, parties, and attended every single game. For 4 years she was known as "Mamma B" by the Stafford High School field hockey team, a name that stuck when she became a step grandmother. When her kids grew up and left home, she filled her team spirit void by becoming an avid UConn Huskies fan (she supported the boys – but the girl's team was her passion and obsession!) She watched every game, with her pom poms and mascot, Jonathan, cheering them on to victory for many years!

Lynda never lost the "childlike wonder" of life. She was able to find joy in everyday moments, was quick to laugh and saw humor in everything. Her southern roots meant she never met a stranger. She appreciated the simple things and was extraordinarily kind. She donated to many charities and had a deep empathy for people from all walks of life. At her core – she was an artist. She sang, she danced, and she painted. She loved nature – was an avid bird watcher, gardener, and the beach was her happy place.

We've gotten some questions re: the reception - wanted to share that both the reception and service are open to all. The other thing we wanted to share - was that Mom was adamant that when her time came - this would NOT be an overly somber event. So many of you have already shared that your memories of her were of her laugh, her smile, her sense of humor... so we are inviting any/all of you to think of fun/funny stories you have - memories of laughs you shared. You can either share them here - or you can email/text me - and we'll read them off during the services! Anyone brave enough to speak in front of a crowd - is welcome to share in person!

Lynda and I were friends through the years . We brought up our sons, John, and Kurt Thompson, during the same time period. Every time I saw her she was upbeat and smiling. That's what I remember the most. She'll always have a special place in my heart. I send my most sincere sympathy to John and Kelly. Through all the things she taught you, she will always be with you. Kelly & Johnny, your mom was one of my favorite cousins! She was someone I loved and looked up to growing up. She used to tell us ghost stories at Grandmama's house when we were kids and had a laugh like no one else! She was a good and kind person to her core and will be missed by all who knew her. We are so sorry for your loss and will keep you all in our thoughts. Sending you our love.
