Kathy, Lynne, Fr Rick, Can still remember all those wonderful days and evenings with you and your Mom and Dad, picnics together on holidays, your Dad making ice cream the old fashioned way, catching fireflies. They were both, always wonderful, warm, loving and gentle souls to all and the Labreche family as well. May God welcome them into his loving arms and comfort you in His love. So very sorry for your loss. He was such a kind gentle person. I have so many fond memories of him letting us skate on the pond bringing out hot chocolate if we skated long enough on the cold windy days. Sending my condolences to the family and friends..

Kathy - I am so sad to hear about the loss of your Dad, but I know that he and your Mom are together again. That's what I remember when I think about my own parents. I have played piano at St. Joseph's Living a few times, including yesterday, and it is a very warm and caring place to be. May loving memories bring you comfort at this difficult time.
