" For A Dear Aunt" As I have traveled through the years, time has taught me many things. Perhaps the greatest lesson I have learned, is that it is so important to express our gratitude and our love to the special people in our lives. With a smiling face, a gentle touch, and just the right words for comfort, I always knew how much you were loved. I want to be certain that you know how deeply I love you and thank- you for playing such a beautiful part in my life.... To my cousin's Kelli, Desi and family: My heart aches for you and I will always be available for a lending ear. My condolences to the family... Love will never fade, but live on forever.... Mr. and Mrs. Garland and Luz Kynoch Collins and family South Carolina

To the family, I'm very sorry for your loss. Midge was a great person. I never knew what to expect when she came to get her hair done. She often cut it herself and I had to fix it ! She was a joy to know and will be missed by everyone. 🙏❤️

Auntie Margaret will always be remembered by us for her beautiful smile and loving personality. Dad always spoke about the things they did when young and he always mentioned how happy she made him. Mom was always proud to hall her sister. Love you Auntie! Lisa and Perry/Carmen
