Gail was so very special to me and my family. I met her at the age of 17 years old! She always treated me like a Mom. I will never forget the compassion she showed for anyone in need of help. Gail loved her animals and took very good care of them! I was blessed 🙏 to have her in my life. I will miss her dearly!! Betty Greer

To Gail Hitchcock's Family, Our family was very sad to learn of Gail's passing. We lived next door to Gail for many years in Bryantown, Maryland. She was a friend, a neighbor, a fellow animal lover and a philanthropist. We bonded over our love of animals. She also cared very deeply about people in need or people with health issues and would try to help in any way she could. Gail was particularly kind to our granddaughter who has an immune deficiency disease. Please know she will have a special place in our hearts and we send our deepest sympathy.
