Just saw this sad news today. I remember many visits to Pat & Jim and their daughters when I was a young teenager with my parents. Several family picnics at their Stafford Springs house. Farewell, Pat.

I have known Pat all of my life. Growing up I helped her with her Collies living across the road on Chestnut Hill Road all through grammar school and after High School and kept in touch as I was in the USAF. She was always there to talk to. Both she and Jim were always there for me. May she rest in peace and be with Jim. Respectfully John R Becker
