Sad to hear my good friend of roughly 40 years has passed. I have many very fond memories of hanging out with Donna in our early days and those days were filled with laughter and good times. I will miss her bringing up all of those times at work and us in tears laughing so hard. Rest in peace my good friend. We can do it all again when I see you on the other side. My heart goes out to her daughter Bella, Hang in there girl.

Donna was a very caring happy beautiful soul and I'm heartbroken to know she went home to heaven. Donna was my cousin and we were always happy to see each other and talk about our lives and things that were happening when we all got together at family gatherings or just going over for a visit to see our grandmother and aunts. We are so heartbroken and we will always remember the good times we had. I'll miss you Donna and we'll see each other again. Love you Donna till we meet again in heaven.....

I worked with Donna for 10 years. It wasn't long after I started, I realized how knowledgeable, important, and respected Donna was as a Wellington team member. If you needed an answer or help Donna was our go-to gal. Donna was dedicated to the company, the customers, and the owners. Donna had a sensitive side to her that she tried to hide. Fortunately most of us had an opportunity to see it. We enjoyed talking about our family gatherings, Italian cookies, and our almond breads. She was extremely proud and supportive of her daughter Bella who I also had the pleasure to work with. My condolences, prayers, and hugs to Bella and the entire family. Donna will be missed by many.

I had the privilege of working alongside Donna for 15 years, and I will always remember her quick wit and signature dead-pan humor that could brighten even the most stressful day. Her deep knowledge, steady presence, and commitment to her work earned everyone's respect. I also had the pleasure of working with her daughter Bella, and it was clear how much Donna loved and was proud of her. My heart goes out to Bella and the entire family. Donna will be missed dearly.
