

Frances B. Mahon

November 5, 2019

Frances “Bobbie” Mahon (nee Bobrowski), age 91, died Tuesday, November 5, 2019 of natural causes. She was a resident of Evergreen Health Care Center in Stafford Springs, CT. Bobbie, the last of the four Bobrowski sisters, grew up during the Great Depression. She went on to become a registered nurse, caring for many wounded military men and women after WW II at the VA Hospital in New London. It was there that she learned her life-long motto, “laughter is your best medicine.” She went on to care for many patients, especially the elderly later in life, where her level headed, compassionate care touched people of all ages. Bobbie was an avid golfer, which she played with her late husband Chuck. She enjoyed reading, knitting and puzzles, but her greatest joy was spending time with her family members, laughing, talking and focusing on the positive. She was a loving mother, and leaves behind her four children, Mary (Mahon) Doner and her husband Cal of Littleton, CO, Franceen (Mahon) Munson and her husband Paul of Stafford Springs, CT, Patrick Mahon and his wife Laurie of Somers, CT, and Kathleen (Mahon) Zelz and her husband Michael of Stafford Springs, CT; as well as her ten grandchildren; and seven great grandchildren. At the request of the family, funeral services will be held privately. Memorial donations may be made to the Johnson Memorial Medical Center Development Fund, 201 Chestnut Hill Rd., Stafford Springs, CT 06076 or the Alzheimer’s Association, P.O. Box 96011, Washington, DC 20090. Introvigne Funeral Home, Inc., Stafford Springs, CT has care of the arrangements. For online condolences, please visit: www.introvignefuneralhome.com

“ She always shared her compassion & love for her family as if time was not on our collective side.

As a grandson, I'll never forget the fond memories of her lovingly hosting Kristin & I on weekends at the Bald Mountain home as young toddlers, as well as all of our cousins, and we can never forget the beautiful Bonita Bay villa that they proudly hosted all of us at after they retired.

She loved her Honda Accords from Menard & Holmberg, and also loved to golf just as much as Chuck; they both inspired the rest of us to follow their passion, greatness, and share their genuine love for family.

She truly endeared herself to selflessly care for others throughout her entire lifetime, and that trait never wavered. Just ask staffers at L.S.O.T.P. or Suffield House.

Anyone who knew her will attest to that, family or not. Nurse at heart, couldn't help but love, care, and look after others as if it was her true calling. Because it was.

God Bless your soul, Grandma; Lord knows you earned that and then some. May you RIP now with Grandpa, and both be at peace.

You both left ever-lasting impressions on familial generations that will never be forgotten.

We all owe you both the honor of carrying on the resilience, perseverance, determination to succeed, and all the love & support that you instilled upon us all.

You will forever be missed

“ Patrick, I am sorry for your loss. I imagine your Mom's fondness for golf contributed to your passion at golf. Your Mom and Dad seem to have been an incredible team. -
