“ Dear Bill and family,
I moved back to Maryland, from CT, 2 ½ years ago and just found out about Marge's passing. We took quilting classes together and sat at the same table for many years. We did as much laughing as sewing while there. She made so many beautiful quilts. Please accept my deepest condolence on the loss of such a beautiful wife and mother. I thought about her so often after leaving CT and will always remember her kindness and wonderful sense of humor.
Sending you love

“ Bill, Mike and Suzanne my heart goes out to you and to your extended family. Marge was a wicked awesome person and like a second mother to myself and so many other friends of her kids. She was a truly selfless person who consistently went out of her way for so many of us growing up in and around Willington. Even after we'd grown up and become "adults"; she'd be there for us when we'd visit, even if just to make us a snack. She'll be missed by so many. I'm thankful to have had her as part of my life.

“ I would like to send my condolences to Coach Servedio and his family. I remember Marjorie and Bill from Windham College. It was a long time ago, 1965. Bill was coaching soccer and I was a freshman playing basketball, Bill you were always kind to me. I didn't know Marjorie that well, but I do remember she always had something nice to say when we met. I wish you only the best during this most difficult time. George Braun Wilmington, NC
