“ Hi Mrs. White,  
I do not know you however I would appreciate if you would continue to read this post first I would like to say I am truly sorry for your loss I myself lost someone very special in June so I understand what you are going through however, this message is not only about your loss but possibly about a gain for both of us. My daughter and I we're driving in Springfield on Harbor Street today and we spotted your property we're so sorry that it is in such a sad state. I cleaned the information about the estate from the eviction notice and went online and found this site. I wanted to reach out to you to see if you would be interested in parting with the property or leasing the land. I am not a real estate agent I am a single mom who will be 50 in September with a beautiful 10 year old we both love being near the water and feel that that location is ideal We Believe wholeheartedly God lettuce to that spot today. I would very much like to talk to you or one of your representatives a family member or whoever about moving forward with something I am an honest person a good Christian and would take wonderful care of your beautiful property. I will provide you with my email address if you have someone email me I will be happy to respond with my phone number I hope you understand I do not want to post my phone number on a public forum. My email address is humnybee541@gmail.com. we truly look forward to hearing from you God bless you and I hope he lets you see the truthfulness in what I'm asking it is for the love of my daughter that I am reaching out to you my daughter deserves to live in a beautiful safe environment. Thank you for reading this Melissa Ann Langston
