“ Just remembering all the good times we had when we were young and worked together at H&B Tool. The whole Murphy clan (my Dad, Tom Murphy, my brothers Kevin & Bob) worked there too. Reminiscing about them puts a smile on my face. My sincerest condolences to Kathy, Jan, and the entire family. RIP Rich.

“ I loved the time we had on that first class cruise Dad took us on. We had so much fun snorkeling and thought we were living the life in the presidential suite! You were always so patient when I wanted to shop frequently. I will also miss our life talks! I love you, baby brother. Rest in peace now!
