“ So very sad to hear of Rudy's passing. I worked with her at MTS and she was one of the kindest people I have ever known. She was kind to every living creature and could not pass by an animal deceased on the road without picking it up and giving it a proper burial. Such a great lady with a huge heart to match her huge personality. I send my love and condolences to her family.

“ Fly high my previous sister. You have no idea how much you will be missed for now and eternity there wii never be another person like you. A heart so big it could hold nothing back. Doing for everyone everyday. Your laugh your smile and the twinkle in your eyes. God had you now and he will never let you go. Fly high my precious sister. We miss you already.

“ Rudy was the most fun loving compassionate woman I have ever had the pleasure of meeting. When she worked in the group home below Spring Manor she would always have scratches from the feral cats she would rescue. She would take all the cats she captured and pay, out of her own pocket, to have them fixed. She worked at the American Eagle part time because of her love of cooking. I was so excited the day she told me she would work for me. When we worked together I would have stomach aches from laughing so hard. We had a girls' night out with Rose, to dinner and a show, Rudy told us that she would behave herself that night. Rose and I believed that would be impossible because of her sense of humor but she did manage to behave much to our surprise. Rudy you are so loved and will be so missed! Until we meet again my friend!

Love,
Amy Moore

“ Omg! I'm shocked and in disbelief. I was with her son Greg for 17 years before we broke up! She never ever was rude to me after that. I just saw her at big y last week we hugged and she brang up a memory she had been thinking about. Greg called my moms house phone and left a message and I'm just like I don't know. Rudy. We had some fun times over those 17 years and I have no regrets. I'm just still in shock . I really don't know what to say right now!

“ Rudy was an amazing woman and friend for sure. She lived at the end of Beffa Road for years and we knew her husband Bob as well. They were wonderful neighbors. Rudy your infectious laugh will always be remembered!
