“ Dear Joanne, Evelyn and Lynn  
Please accept our condolences for the loss of your mom. Mothers are guardian angels teachers and best friends who we are blessed for a time with their valuable time.  
We are very sorry for the loss you are experiencing. We have good memories of her, especially when we visited all all you in Hartford, (Great time and fun) Ma tante Therese always likes to joke.  
We didn't have the chance to meet her lately, but I am sure she was still a great lady. Don't hesitate to ask her for her help, she will always be there.  
Take care dear cousins, hope we will see you very soon.  
With Love

“ My deepest sympathies to you all on the great loss of your mom / grandmother. She was a truly great person - so much love for everyone. I was privileged to call her sister-in-law.  
Your Uncle Oriand always spoke of her with respect and appreciation for the loving home she made for you girls and your dad. We will all feel a great void but comforted knowing she is with your dad again, as well as her family and friends.  
Please send me a mailing address so I can send Masses.  
I shall always remember her with love and appreciation for all her kindnesses to me.  
Take care everyone, my love and prayers to all.

“ Dear Joanne, Evelyn, Lynn and families. Only fond memories of your loving mother. I can still remember ,as a child,the yearly visits your family made to Bourget and Ottawa . It was always with anticipation that we awaited to see the family. The years have flown by and a few years ago, Helene and I had the pleasure, thanks to Alex and Joanne, to again cross paths with your Mom at Bernie and Carol's at Thanksgiving time and then at Ghislaine and Gerry's. It was like she had always been around..Alert, loving and enjoying every family moment with everyone.... And we were blessed with her presence at a few more Thanksgivings reunions.She will be missed.  
Those we love don't go away  
They walk besides us every day  
Unseen, unheard, but always there  
Still loved, still missed and held so dear

Paul and Helene

“ Our hearts were sadden when we got the news! For a while i was reminiscing special moments spent with her! Her soft voice, her laugh, and back then she would share a little glass of beer with me! Then later on, a glass of Ginger Ale! Playing cards and just talking about life - family! Always a sweet heart! And she will forever be in our hearts! My prayers and a rosary sent her way! Love always

“ Joanne, Evey, and Lynn, so sorry to hear of your Mom's passing. She was a wonderful, caring person who always welcomed me into your home. I always remember when i would come over and she would start speaking French to me and Joanne would always remind her that i didn't understand until one day I did and answered her back. I have many great memories from those time. She is now an angel watching over all of you!
