“ I was sad to read of this news. Sending a caring thought to all of the family, and remembering with fondness him, his parents and siblings. Knitting Club brought our Moms together, and through them, all of us.

“ It seems like a lifetime ago that Willie and I were friends but just the other day I thought of our time together as teenagers. Some memories last forever. I am sadden to hear of his passing and hope he had a lifetime of friends and family to love and cherish. I will always remember our youthful escapades.

My heartfelt condolences to his family and those touched by his presence.

“ Sorry for your loss. Many memories from “Church Street” gang growing up, B-ball across the street(always breaking in!) and baseball in your back yard.
