“ I started in scouting in 1950 with the Cub Scouts. A couple of months later, the Boy Scouts allowed eleven-year-olds to join. Wilbur was my first scoutmaster. He cared about his scouts. I was fortunate to have experienced his leadership.

“ We certainly express our condolences to the Walker family. Wilbur meant so much to our family especially after my Dad passed away. He was so generous and kind to my Mother as she was a widow for so many years. We have many wonderful memories and as well as laughs to share over all the years we were friends.
God bless you all during this time of your loss.

“ To Wil's family: We've known Wil since he had the pizza shop. His pizzas were simply delicious. I remember how kind he was when we had ordered a pizza and my husband and 3-year old daughter went down to get it. Upon arriving at the house the pizza slipped from my daughter's hands and wouldn't you know our dog was right there. Needless to say the dog had pizza for lunch. We ordered another one and when my husband went back down to pick it up Wil wanted to know why we were ordering another one. My husband told him the story. He would not allow us to pay or another one. We will never forget his kindness. Kay M. Warren
